

Nexus Boron

10%

Guaranteed Minimum Analysis

Boron (B) (Actual)..... 10.0%

Ingredients: boron ethanolate.

Registration Number: 2005089B Fertilizers Act

CAUTION: This fertilizer contains boron and should be used only as recommended. It may prove harmful when misused

WARNING: Causes eye irritation. Suspected of damaging fertility. May cause damage to organs.

Precautionary Statements: Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Do not breathe mist or vapor. Wear eye/face protection and protective clothing. Do not eat, drink or smoke when using this product. Wash thoroughly after handling. **First Aid:** If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention. If exposed or concerned, get medical attention. **Storage and Disposal:** Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store locked up. **Do not freeze.** Dispose of contents/container in accordance with local regulations.

DIRECTIONS FOR USE: Soil test recommendations should be followed for best results. **FOLIAR APPLICATIONS:** Apply with enough carrier to thoroughly cover all foliage. Early morning or late evening applications give the best results. **Suggested Foliar Application Rates:** Field Crops: Alfalfa, Beets (Sugar), Canola, Flax, Corn, Sunflowers, Soybeans, Wheat, Barley, Oats, Peas, Lentils, Beans from 1.25L/Ha (0.5L/acre) to 5L/Ha (2L/acre). **SOIL APPLICATIONS:** Apply with sufficient carrier to give complete coverage. Soil applied boron must be moved into the root zone to be absorbed by the plant. This can be accomplished by irrigation, rainfall, or tillage. **Suggested Soil Application Rates:** Field Crops: Alfalfa, Beets (Sugar), Canola, Flax, Corn, Sunflowers, Soybeans, Wheat, Barley, Oats, Peas, Lentils, Beans from 7.4L/Ha (3L/acre) to 17.25L/Ha (7L/acre). **COMPATIBILITY:** NEXUS BORON 10% is compatible with many liquid fertilizers, micronutrients, and pesticides. Addition of NEXUS BORON 10% to these products should not be done without first testing compatibility on a small scale. When mixing with pesticides, dilute NEXUS BORON 10% with water prior to the addition of buffering agents and pesticides. Follow all directions and precautions on pesticide labels prior to mixing with NEXUS BORON 10%.

For more information on use of this product, please contact a professional agricultural consultant. This product should be used on the basis of a soil and/or tissue analysis.

CONDITIONS OF SALE AND WARRANTY: Univar Solutions Canada Ltd. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated when used in accordance with the use directions under normal conditions. The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as timing and method of application, weather and crop conditions, presence of other materials, or other influencing factors, all of which are beyond the control of Univar Solutions Canada Ltd. and Seller. Buyer and user acknowledge and assume all risks and liability resulting from the handling and use of this material not in strict accordance with directions given herewith. In no case shall Univar Solutions Canada Ltd. or the Seller be liable for consequential, special, indirect, or incidental damages or losses resulting from the handling or use of this product. The foregoing is a condition of sale by Univar Solutions Canada Ltd. and is accepted as such by the Buyer.
