

Nexus Copper

7.5% EDTA

READ ENTIRE LABEL BEFORE USING THIS PRODUCT

Guaranteed Minimum Analysis

Copper (Cu) (Chelated); (Actual)7.5%

EDTA (Chelating Agent).....36.1%

Registration Number: 2025146M Fertilizers Act

CAUTION: This fertilizer contains copper and should be used only as recommended. It may prove harmful when misused **KEEP OUT OF REACH OF CHILDREN**

Avoid contact with eyes and clothing. Avoid prolonged contact with skin. Do not take internally and avoid inhalation of spray mist. **Do not freeze.** Wear goggles and gloves when handling. Wash thoroughly with water after handling. Avoid contamination of domestic or irrigation water supplies, lakes, streams and ponds. Dispose of container and unused contents in accordance with federal, provincial, and local requirements.

DIRECTIONS FOR USE: NEXUS COPPER 7.5% EDTA is recommended for use on all types of soils. Because this is a concentrated solution, it should be diluted before use to ensure uniform coverage. This dilution may be made in fertilizer solutions, water, or with compatible pesticides. Soil applications may be made through irrigation systems or in band or broadcast fertilizer applications. **Compatibility:** NEXUS COPPER 7.5% EDTA is compatible with most pesticides and fertilizers. However, if the desired combination has not been previously used, a compatibility test is recommended. If tank mixing, add components in this order: Water, Ag chemical, Nexus Copper 7.5% EDTA. **Mixing:** Shake, stir, or swirl contents before using. Always add this product to the spray tank before adding pesticides. **Soil Applications for all crops:** Product should be applied at rates from 2.5 to 5 liters/ hectare [1 to 2 liters/acre]. **Fertigation:** Apply the recommended amount of product in split applications one to two weeks apart throughout the growing season.

For more information on use of this product, please contact a professional agricultural consultant. This product should be used on the basis of a soil and/or tissue analysis.

CONDITIONS OF SALE AND WARRANTY: MustGrow Biologics Corp. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated when used in accordance with the use directions under normal conditions. The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as timing and method of application, weather and crop conditions, presence of other materials, or other influencing factors, all of which are beyond the control of MustGrow Biologics Corp. and Seller. Buyer and user acknowledge and assume all risks and liability resulting from the handling and use of this material not in strict accordance with directions given herewith. In no case shall MustGrow Biologics Corp. or the Seller be liable for consequential, special, indirect, or incidental damages or losses resulting from the handling or use of this product. The foregoing is a condition of sale by MustGrow Biologics Corp. and is accepted as such by the Buyer.
